

ABOUT THE CHARITY

The Celeste Holm and Wesley Addy Foundation was formed in 1998 to support Celeste and Wesley's favorite charities. These charities include the Actors Fund of America, Arts Horizons, Inc. and other programs that promote education about visual, performing, graphic and other arts.

Celeste and Wesley were passionate about the continued success of these organizations and the Foundation is dedicated to continue their legacy.

ABOUT THE COURSE

Morefar's meticulously crafted golf course boasts panoramic views and peaceful surroundings making it hard to believe you are so close to New York City. Narrow fairways and sharp doglegs along undulating hills, together with strategically placed sand traps and water hazards, make proper club selection and pinpoint accuracy a must. Long hitters will savor the challenge of Morefar's two 600-yard holes and an excellent short game will prove valuable throughout the course.
